

**January 2023**

**Dear Parent(s) of a Bexley Senior,**

Congratulations on the upcoming graduation of your child from Bexley High School. We share in your pride and encourage you to honor this milestone with an engraved brick or paver in the Bexley High School Alumni Piazza and Walkway.

The Alumni Piazza and Walkway was created in 1996. The hundreds of bricks and pavers and the benches that form the Alumni Piazza and the Walkway honor Bexley graduates, teachers and staff, as well as Bexley community members.

Due to the increased costs of materials, engraving and labor for the bricks and pavers, the contribution amount to the Bexley Education Foundation for a brick has increased to \$135. Engraved limestone pavers are available for a \$750 contribution and offer more lines for engraving. Orders for bricks and pavers must be received in the BEF office by **March 1, 2023** for installation prior to the graduation ceremony in May.

A common format are:

Jane Doe  
Class of 2023

Wendy  
Millbauer  
Hauswirth '90

To order and make your contribution for your engraved brick or paver, please complete the online form on the Foundation's website, <https://tinyurl.com/Alumnibricks>. **Please note the character restrictions of 13 per line two lines on bricks, a third line is an option to accommodate a longer name (see above).** If your name is longer, I am happy to help you determine alternative options that will look best. If you have any questions, please contact me by email at [alumni@bexley.us](mailto:alumni@bexley.us). Also, if your family has bricks for a sibling or other family members already installed in the piazza and you would like this new brick with them, please note that on the form.

Best wishes to you and your 2023 BHS graduate!

Sincerely,

*Wendy Hauswirth*
